

# Community Solar's Moment in the Sun

NOVEMBER 10<sup>TH</sup> – 1:00PM ET

**Charles  
C. Sutton**

President, MC Squared  
Energy Services

**Nicholas  
Minekime**

Managing Director,  
Altus Power

**Jim  
Rice**

Co-CEO,  
Nautilus Solar

**Michael  
Cofer**

VP of Delivery,  
Hansen Technologies

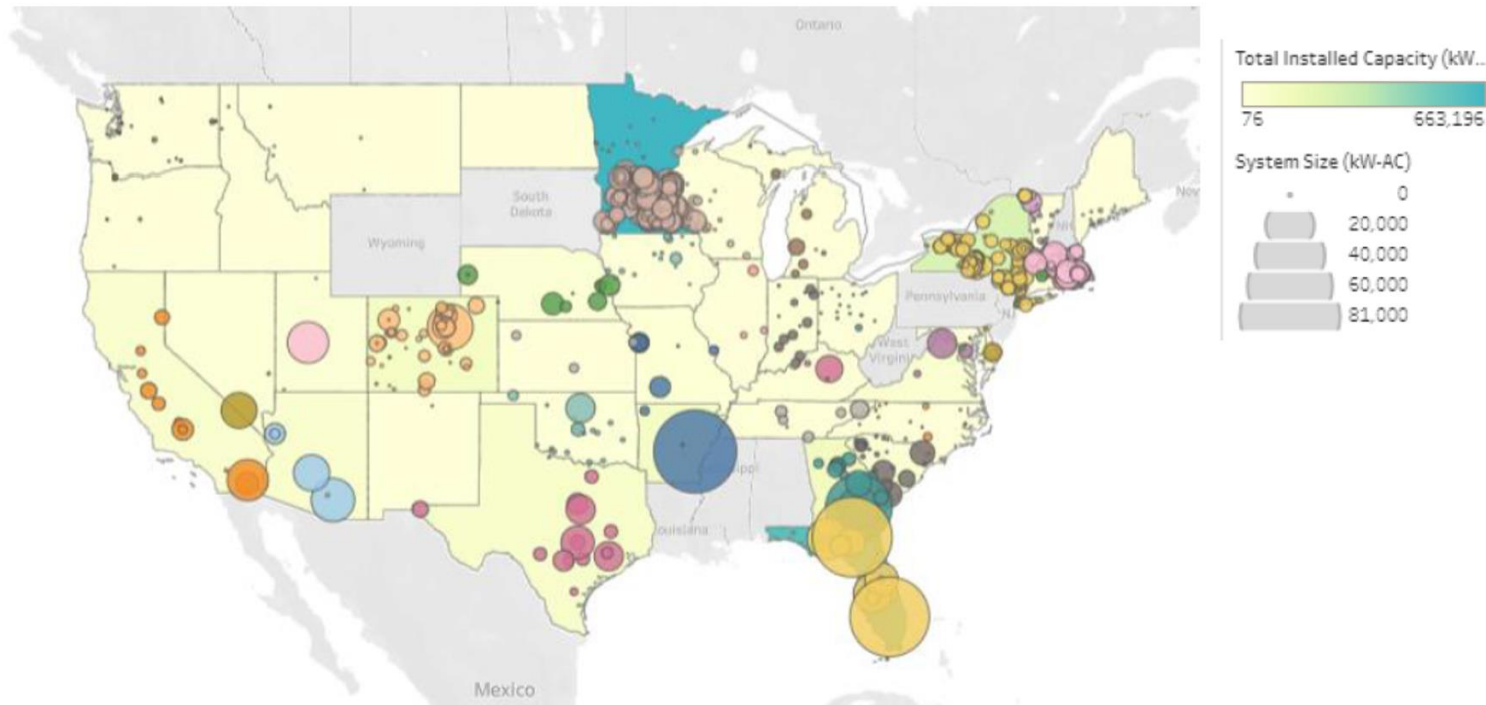

**Guy  
Tennant**

Chief Technology Officer,  
Hansen Technologies

# COMMUNITY SOLAR MARKET

- In July 2020 there were at least 2.624 MW-AC of Community Solar capacity distributed across >1,250 projects in 39 States
- The Community Solar market has grown at 130% CAGR since 2010

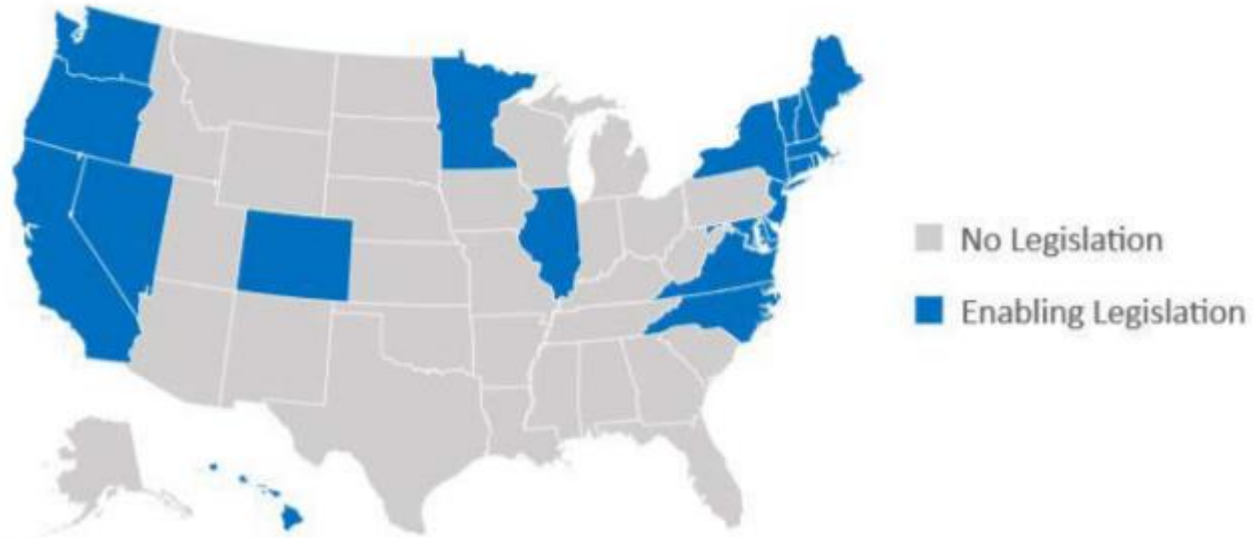

Source: US Department of Energy

## Benefits

- Subscribers typically save 5 to 15%
- Supporting Renewable Energy and the environment
- Increased access:
  - Gives renters and apartment dwellers the ability to participate in solar
  - More suitable for those that plan to change utility service territory in the next 20-25 years
  - Zero maintenance
- Energy Independence – protection from unstable energy prices and supply disruptions
